

# Winter Festival

## A Community Gathering

We lovingly invite you to our **Winter Festival – A Community Gathering...**

A festive day of joy, love, creativity and deepening of connections. On this day we celebrate the turning of the seasons with wholesome food; live music and chanting with the magnificent **Deva Raje & NadaLokah; Primal Dance with the fabulous Kitsiri; Didge with Sion Ra & Crystal Bowls with Vanessa Jean.**

We will have "**Soul Shops**" -free talks given to enhance our lives and deepen our connection to self and a **gonging session with Maya** ...true gifts to us all.

A **Sacred Childrens' Space** where children are lovingly welcomed with soul nourishing activities like yoga, craft, song, face painting, the fabulous eco faeries dancing about sprinkling their joy and magic...and even a good old jumpy castle to move their perfect little vessels in!

Beautiful **Faerie Cara** will do a story session with our children and **Kitsiri** will perform in his unique way as he shares story and joy with the children...and adults! **Faerie Sandie** will sing and dance with our angels!

There will be stalls filled with gifts made with love; *Natures Symphony* (soy wax candles with essential oils and natural hair care), original artwork by *Tracey*, Sacred Mandalas by *IshaRa*, *Focus on Oneness* (specialty inspiration cards), *Made in Love* by Erykca Pereira (locally designed clothing range and gifts),

*Miessence* (organic skin care), massage with Jade (from the Sacred Grove in Fremantle), wholesome food & much more!

We ask for all guests to come with joy and in honour of the Great Mother, for it is She and her marvellous ways we honour this day...it is a day to remember Love...that love is all there is...a day to laugh and come together in celebration of this love.

**Let us celebrate winter...let us celebrate the magic of community.**

\$10 per person, all children under 12yrs free

It is a day to connect with the community; local businesses are welcome to share in their vision and dreams (thus, if you would like a stall let me know).

**We look forward to nurturing you all on this wonderful day!**
